1. Can I install X-Power with Hot Wire?

Yes, you can. You can expect synergic effects.

2. Is it the same as other similar product from other maker?
Most similar product gave 2 time ignition which is original 1 time ignition, therefore the designing concept are differ from X-Power.

3. If the car carried out ROM tuning up, doesn't it become a cause out of condition?
Although it seem that possibility is very low, if something like engine knocking happened, please set up air/fuel ratio and tinition timing again.

4. If X-power become our of order, is there any possibilities if engine break down and stop?
Even if X-Power break down, it will not give any influence to engine, you can drive as usual.
